Measuring Voltage and Current

Thursday January 12, 2017 7:30PM

Town of Huntington Senior Center

This presentation will discuss how to make measurements of voltage and current. The use of both digital multimeters(DMMs) and oscilloscopes will be introduced. We will look at how these measurements can be used in Amateur Radio.

4z/136.5 Hz PL

The Larkfield Amateur Radio Club wishes to thank Bruno KC2ESI, Jack K2JX, Joe N2QPD, Bob AC2AZ, Thomas KC2PSC, and Pat WB2CMF for their dedication and efforts in maintaining the Club's repeaters and our packet and APRS stations. Their collective efforts and donations of equipment along with the overview of Bob AC2AZ and Peter AA2VG have kept us "on the air". Still to go, another 440 MHz repeater and adding IRLP or Echolink to one of our repeaters. We need volunteers for this new work.
